We are delighted to welcome on board our newest payroll saving employer partner, MB Aerospace.

Our employer engagement officer, Graeme Mullin, is pictured with Lynn Poole at MB Aerospace's Head Office in Motherwell, and Graeme commented, "It is great to have another big employer joining as a payroll saving partner with East Kilbride Credit Union. MB Aerospace is a large employer with more than 700 staff, and they are being very proactive in joining us as a payroll partner to offer their employees an easy way to save as well as access to low cost affordable credit.
